Curriculum Vitae 11/12/2026

Amit Almor

Psychology Department, Linguistics Program and Institute for Mind and Brain
University of South Carolina
1512 Pendleton Street
Columbia, SC 29208

Education

95 – 96	Post-Doc at the University of Southern California
90 - 95	Ph.D. in Cognitive Science from Brown University.
93	Connectionist Models Summer School.
82 - 87	B.Sc. Magna cum laude in Mathematics and Computer Science from Tel-Aviv University.
80 - 82	Practical Engineer degree from the Israeli Defense Forces Computer College.

Research and professional experience

Employment History

17 - 21	**Director**, Experimental Psychology Program, Psychology Department, University of South Carolina.
15	**Interim Director**, Experimental Psychology Program, Psychology Department, University of South Carolina.
10 - 11	**Visiting Professor**, Ghonda Brain Center, Bar Ilan University, Israel.
03 -	**Associate Professor**, Psychology Department, University of South Carolina.
02 - 03	**Research Associate Professor**, Department of Psychology and the Program in Neural, Informational, and Behavioral Sciences, University of Southern California.
96 - 02	**Research Assistant Professor**, Department of Psychology and the Program in Neural, Informational, and Behavioral Sciences, University of Southern California.
95 - 96	**Research Associate**, Program in Neural, Informational, and Behavioral Sciences, University of Southern California.
90 - 95	**Teaching Assistant** and **Research Assistant**, Cognitive and Linguistic Sciences Department, Brown University.
80 - 89	**Computer Consultant and systems analyst**. The Israeli Navy, IBM Israel, and several other companies.

Professional Activities and Organizations

Fellow of the Psychonomic society, former Member of the Cognitive Science Society, Cognitive Neuroscience Society, and the Society for the Neurobiology of Language

Program Committee: The 21st annual CUNY conference on sentence processing, Chapel Hill, NC, 2008

Co-organizer: Conference on Reading and the Brain, Columbia SC, 2024

Co-organizer: Conference on Executive Function, Columbia SC, 2019

Co-organizer: 26th CUNY Conference on Human Sentence Processing, Columbia SC, 2013

Co-organizer: Conference on Neuroplasticity, Columbia SC, 2015

Reviewing activity

Associate Editor: Frontiers in Language Sciences

Review editor: Frontiers in Human Neuroscience.

Ad hoc reviews:

Journals: Cognition, Cognitive Science, Connection Science, Language and Cognitive Processes, Neural Networks, Physica D, Psychological Review, Journal of Memory and Language, The Quarterly Journal of Experimental Psychology, Memory and Cognition, Neuropsychologia, Journal of Experimental Psychology: General; Journal of Experimental Psychology: Learning, Memory, and Cognition, Journal of Clinical and Experimental Neuropsychology, Journal of Speech, Language and Hearing Research, The Journal of Gerontology: Psychological Sciences, Frontiers in Human Neuroscience, Language and Linguistics Compass, Neuroimage, eNeuro, Alzheimer's & Dementia: Translational Research & Clinical Interventions.

Conferences: CUNY conference on Sentence processing, Amlap, Neurobiology of Language

Funding agencies: NIH (LICOM panel ad hoc member), NSF, United States-Israel Binational Science Foundation, the Alzheimer's Foundation, UK - Economic and Social Research Council. Freiburg Institute for Advanced Studies - FRIAS.

Grants

2024-2025 DISA grant: *UsKREDIT: Knowledge infoRmEd NLU for Deception IdenTification* (co-PI; PI: Amit Sheth), **$669,837**

2024-2-25 Russell J. and Dorothy S. Bilinski Dissertation Fellowship to Dawson Petersen (faculty mentor). University of South Carolina, 2024. **$40,000**

2024-2025 NSF Doctoral Dissertation Research: *The Effects of Anthropomorphic Linguistic Framing on the Online Sentence Processing of Texts about AI* to Dawson Petersen (faculty mentor) **$17,817**

2024 SPARC: Dawson Petersen: *The Effects of Linguistic Framing on Anthropomorphism of AI* (faculty mentor) **$4,800**

2024 SPARC: Sarah Wilson: Partner-specific Alignment Across Multiple Linguistic Levels in Interactive Dialogue (faculty mentor) **$4,925**

2024 USC College of Arts and Sciences Faculty Travel Award **$1,446**

2023 USC College of Arts and Sciences Faculty Travel Award **$1,500**

2022USC College of Arts and Sciences McCausland Innovation Fund Award (with graduate students Dawson Petersen and Sarah Wilson) $10,000

2020 USC Center for Teaching Excellence Virtual Environments Grant **$2000**

2019 USC College of Arts and Sciences Online Course Development Award **$8,000**

2018 USC College of Arts and Sciences Faculty Travel Award **$750**

2018 University of South Carolina College of Arts and Sciences Small Equipment Award **$8,520**

2018 USC College of Arts and Sciences Undergraduate Mentoring Award **$1,000**

2017 College of Arts and Sciences Faculty Travel Award **$1,400**

2017-2019 USC Provost Social Sciences grant, *Language Reference, Space and Brain.* **$15,000**

2014-2016 USC VPR ASPIRE I grant, *The role of spatial representations in establishing, maintaining and tracking linguistic reference.* **$14,987**

2014-2015 USC College of Arts and Sciences Associate Professor Development Award **$15,853**

2014-2015 USC VPR SPARC Graduate Fellowship (Tim W. Boiteau) *Grammar, hand, and space* **$4,424**

2012-2014: NSF BCS-1225753 *Theories of Sentence Processing and the Neuroscience of Language: Special Session at the 2013 CUNY Conference on Human Sentence Processing* **$32,511**. co-PI (PI: Fernanda Ferriera, co-PIs: Stanley Dubinsky, Dirk Den Ouden).

2009-2013: NSF BCS0822617 *The neural basis of processing discourse reference*. NSF. **$299,236**. co-PIs: Chris Rorden, Julius Fridriksson.

2008-2010: NIH R21AG030445-01A1 *Processing discourse reference in mind and brain*. **$310,872**. co-PIs: Chris Rorden, Julius Fridriksson, Anne Bezuidenhout.

2007-2008: *fMRI investigation of discourse reference.* McCausland Center for Brain Imaging pilot grant. **$8,000.**

2007-2008: *The use of grammatical constraints in native and non-native language processing.* (co-PI) University of South Carolina Research Opportunity Program**.** PI: Barbara Shultz. Co-PIs: Stanley Dubinsky, Amit Almor, **$19,585.**

2007-2008: *The neural basis of processing reference in language.* University of South Carolina Small Grant Program. **$47,964.** co-PIs: Anne Bezuidenhout, Jennifer Vendemia, Chris Rorden, Julius Fridriksson, Leonardo Bonilha.

2006-2007: *A pilot study of processing discourse reference.* McCausland Center for Brain Imaging pilot grant. **$7,500.** co-PIs: Julius Fridriksson, Leonardo Bonilha.

2005-2007: *Language and Memory in Aging and Dementia.* University of South Carolina Research and Productive Scholarship Award. **$13,000** + (**$10,000** Department Matching funds).

1999-2003: NIH RO1 AG-11774, *Sentence Processing in Normal Aging and Dementia,* awarded to Maryellen MacDonald, Amit Almor, Daniel Kempler, Elaine Andersen, Mark Seidenberg, and Victor Henderson. **$887,078.** Became 1st PI in August 2001.

2002-2003: University of Southern California Provost Undergraduate Research Grant. **$9,000** awarded to Elaine Andersen and Amit Almor to support 3 undergraduate students' involvement in research.

2001-2002: University of Southern California Provost Undergraduate Research Grant. **$10,000** awarded to Elaine Andersen, Daniel Kempler, and Amit Almor to support 3 undergraduate students' involvement in research.

Teaching and Mentoring Awards

2020 Michael Mungo Distinguished Professor of the Year

Faculty mentor for **University of South Carolina Undergraduate Discovery Day 2013 award winner** (Karen Shebusky - Grammatical Role Primes Spatial Attention)

Faculty mentor for **University of South Carolina 2010 Graduate Student Day Best Research Presentation award winner** (Boiteau. T. W. & Almor, A. - Interference between conversation and a concurrent visuomotor task)

Faculty mentor for **University of South Carolina Undergraduate Discovery Day 2009 award winner** (Afotey Quaye - Attention and Conversing)

Faculty mentor for **University of South Carolina Undergraduate Discovery Day 2009 award winner** (Jeremy May - Salience Matters: An fMRI Study of the Repeated Name Penalty)

Faculty mentor for **University of South Carolina Undergraduate Discovery Day 2008 award winner** (Eric Bowers - Reference and Representation: The Neural Structures involved in Referential Processing.)

Faculty mentor for **University of South Carolina 2008 Graduate Student Day Best Research Presentation award winner** (Gelormini, C., Almor, A. (2008). Is There a Repeated Name Penalty in Spanish?)

Nominated for **2007 Golden Key Faculty Award for the Integration of Teaching and Research**

Nominated for **2007 University of South Carolina Undergraduate Research Mentor Award**

Faculty mentor for **University of South Carolina 2007 Graduate Student Day Best Research Presentation award winner** (Peters, S., Almor, A. (2006). Pronouns and repeated definite descriptions in spoken language.)

Nominated for **2006 Golden Key Faculty Award for the Integration of Teaching and Research**

Nominated for **2006 University of South Carolina Undergraduate Research Mentor Award**

Faculty mentor for **University of South Carolina 2006 Graduate Student Day Best Research Presentation award winner** (Nair, V., Almor, A. (2006). An ERP study of reference.)

Faculty mentor for **Regional Research Award winners at the 2006 Annual Meeting of the South East Psychological Association** (Carnes T. D., Strickland. W. B., Vaca, R. H., Zaepfel, C., Almor, A., Hajjar, I. (2006). Semantic impairments in categorical deficits of Alzheimer's patients. The *2006 annual meeting of the South East Psychological Association*. Atlanta, GA.)

Faculty mentor for **University of South Carolina Undergraduate Discovery Day 2005 award winners** (Frankenberger, B. Lasota, L., Mehta, J., Peters, S., Saut, R., Vaca, R. (2005). Phonological and semantic influences on working memory.)
